

Seed Cleaning

After an excellent turn out last month, seed cleaning is back again next week, on Tuesday 28th May from 7-9pm at the nursery.

Please reply to let us know if you would like to join us to prepare seed for germination, with cake and tea/coffee provided.

Volunteer Week

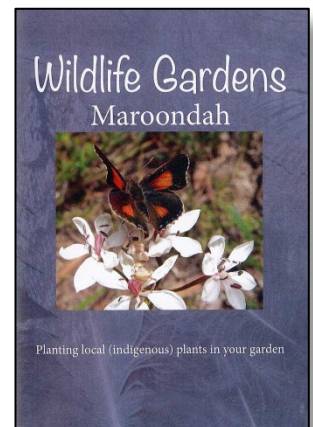

We have been delighted to acknowledge our volunteer cohort during this National Volunteer Week. Special morning teas were appreciated during the week (even the weather was mostly with us) and as President Alan Bowes suggested, our volunteers are the heart and soul of this very special operation that is our Nursery.

Thank you to all who help in so many ways as seed cleaners, as database maintainers, regular pricking out and potting up volunteers, sales area staff and general maintenance and weeding folk. We could not do without any of you!

Saturday Sales

Just a reminder we are now open for sales every Saturday 10am-1pm. The sales area is well stocked with plants so do come in to browse and purchase some plants for your garden.

We do currently have some availability for volunteers to help on a Saturday, with gardening and general nursery activities. If you are interested, please come in and have a chat to us.
